+++++

Hello Fellow Members of Friends of Takasumi-e.

This will be a REALLY short Newsletter this month.

- A reminder goes out to everyone who has NOT sent in their membership renewal. A Membership renewal form is attached to the email for your use (or you can go to the website – [www.takasumi-e.com](http://www.takasumi-e.com)) and download the form.
- The position of Vice President is still open to that fabulous interested individual who will be stepping forward soon to support the Society. A description of the position was in the last newsletter. Please, please consider this very important post.
- Our workshop for this month, Saturday, October 3<sup>rd</sup>, will be hosted (again), by Tricia. Someone requested a one-stroke dragon so bring your ink stone, ink stick, brushes and paper and be in for a real treat. You may want to embellish with a little gold or silver, too! Following demonstration, we'll have open studio for those in attendance. Again, this is a ZOOM gathering and an email will be sent to you later in the week with all the ZOOM information. There will be no formal meeting.
- If you'd like to share something you've painted with Society members, please send it to me ([ralsgal@gmail.com](mailto:ralsgal@gmail.com)) and I'll share it in the next newsletter.

See you all on Saturday!

Your editor,
